ZOO'S GUIDE TO ALL YOU NEED TO KNOW, WHEREVER YOU ARE THIS WEEK!

ROSIE JONES

"This is the hottest I've ever been!"

It's ZOO stalwart Rosie Jones, on a yacht, in tiny bikinis, in the sun. Full steam ahead!

It really should come as no surprise that England is currently cold, wet and utterly miserable. Worse still, this frosty weather makes shooting our sexy models even more problematic.

Let's face it: no one in their right mind wants to whip their kit off when it's this cold, unless they're jumping into a hot shower or someone else's bed.

Thankfully, ZOO stunner Rosie Jones had the right idea when she suggested we hop onto a massive yacht and sail to the sunny Mediterranean.

"I definitely prefer a bikini to lingerie as it's so much easier to take off," explained a sweltering Rosie. "It's a shame you can't see my x-rated pics →

AMAZING NEW PICS!

because this was the hottest I'd ever been – I had to rip off my bikini in the end!

"We could've got a boat in Folkestone but this was much better. We had this booze cruise pull up beside us, so I made sure I gave them a right good show – and they loved it!"

However, if you thought Rosie only enjoyed trips to the Med with a suitcase of swimsuits for ZOO, you're sorely mistaken.

"I had my birthday in Ibiza last year and it was such a blast," she revealed. "It was me and all my friends like Daisy Watts, Kelly Hall and Emma K in these nice bikinis, but once everyone had a drink we were getting naked and dancing around like lunatics. It was so much fun – you can guarantee we're going to plan another trip next year for some more naked fun in the sun!"

Remember this, gents: 19 July is Rosie's birthday. We'd suggest you book the week off work and get on the phone to your travel agents pronto...

DAVID HAYE... ON HIS COMEBACK!

“I’ll be unstoppable!”

The Hayemaker announces he'll be back in the ring in January 2016, free from the shackles of the ZOO curse

WELCOME BACK DAVID! ARE YOU ONLY MAKING A COMEBACK NOW YOU'RE NOT DOING YOUR ZOO COLUMN ANYMORE?

Ha. For the two years I had my column with ZOO I was constantly injured and pulling out of fights. As soon as the column finished I'm back firing on all cylinders. The curse is certainly over and now you're wrapping up ZOO for good, I'll probably reach for the stars!

YOU HAVE A NEW TRAINER IN SHANE McGUIGAN AND ARE IN A GYM WHERE YOU'RE NOT THE WORLD CHAMPION. DOES IT FEEL AS IF YOU'RE STARTING ALL OVER AGAIN?

It feels refreshing. When Carl Frampton is in the gym he's the champion and I'm learning from him. He's a lot smaller than myself and his punch volume is a lot higher. If I can apply that to my game then I'll be unstoppable – and that's why I got with Shane McGuigan.

YOUR NEW PROMOTERS, THE SALTER BROTHERS, KEEP GOING ON ABOUT DIGITAL AND ALGORITHMS. WHAT HAPPENED TO THE

GOOD, OLD-FASHIONED FIGHTING AT A PRESS CONFERENCE TO PROMOTE A FIGHT?

That went out with ZOO! Things move on. The whole way to market an event has changed and you can reach a lot more people nowadays through social media. Getting in with a team who are masters of harnessing that makes things a lot easier, so I'm excited to see what they can do.

I haven't put any unnecessary pressure on myself to do it in a year or 18 months. It's a very interesting time in the heavyweight division right now and there are so many good fights out there for me. The plan is to get past De Mori and take it from there.

IS ONE OF THOSE AGAINST ANTHONY JOSHUA?

Anthony Joshua has a big fight himself, so he's got to deal with Dillian Whyte first. But, if we

YOU DIDN'T WANT IT. WHO'S TALKING RUBBISH?

There's nothing to fear from Tyson Fury, but the fact Vladimir beat me and it was such a high profile loss for me made me evaluate a lot of things, so in some ways, yes, he did make me a better person. And I'll be a better fighter if we ever meet again!

“Now the ZOO curse is over, I'll reach for the stars!”

YOU LINED UP YOUR NEXT OPPONENT, MARK DE MORI, THROUGH SOCIAL MEDIA. IS HE ANY GOOD?

He is ranked top 10 with the WBA. I don't want to fight complete nobodies – I want to give people someone to get excited about. But if I can do what I'm doing in the gym on 16 January, then I'll be better than I used to be and I'll beat him in style.

HOW LONG BEFORE YOU'RE CHALLENGING FOR THE WORLD TITLE?

keep winning, our paths will cross that's for sure. He might even be the champion by then, as he's on a real steep trajectory at the moment.

YOUR NAME CAME UP A LOT IN THE BUILD-UP TO VLADIMIR KLITSCHKO'S TITLE SHOWDOWN WITH TYSON FURY. KLITSCHKO RECKONS HE MADE YOU A BETTER PERSON AFTER YOUR FIGHT AND FURY SAID WHEN HE LOOKED INTO YOUR EYES

ZOO'S SILLY NAMES TEST!

Last week, newspapers, the BBC and, well quite frankly the entire world, fell for a Facebook prank where a 23-year-old Australian man pretended his passport name was Phuc Dat Bich. Idiots, yeah? Well, how would you fare separating some of the planet's most utterly unbelievable names from the silly practical jokers? Try our quiz...

TRUE! FALSE!

1. Dr Whet Faartz
2. Strong Wang
3. Gary Doodlesack
4. Dick Fokker
5. Wan Kin Too
6. Randy Baumgardner
7. Brownie Shytles
8. Richard Sheath
9. Dong Suk Yuk
10. Randy Gaylord
11. Welcome Bender
12. Dixie Normous

HOW DID YOU SCORE?

Surprise! It turns out all of the above are genuine names of real people all over the world featured on news reports, billboards and even the yellow pages. If you marked any as fake you should be utterly ashamed of yourself for laughing at these complète normal men and women. Honestly...

Chris Ramsey's debut DVD *Chris Ramsey Live: All Grown Up* is available now at chrisramsey.comedy.com

CHRIS RAMSEY PRESENTS THE...

2015 GAMING AWARDS

The professional funny guy and massive gamer's alternative 2015 gongs...

This has been a monumental year for gamers, with *Fallout 4*, another *Tomb Raider* and an all-new *Assassin's Creed*.

We've been inundated with regular awards shows, so here is ZOO stalwart Chris Ramsey's picks for something a little bit different...

The Seriously Awkward Sex Scene Award

The Witcher 3

No competition here. This wins hands down as, aside from having countless sex scenes in the fantasy game, it also has the main character getting down to business on a, er, stuffed unicorn.

Chris says...

"What's your favourite sexual position?"
"The Unicorn"
"Oh, I've never heard of that. Is it like doing a crab, but with an erec..."
"Nope! It's actually sex on a unicorn..."
"OK, then." *Deletes Tinder account*

The We Can't Believe That's Actually A Game Award

I Am Bread

Farming Simulator

2

1

Christmas Shopper Simulator 2

Everyone is meant to be able to enjoy computer games, so eagle-eyed developers have been testing the market with a strange collection of titles to cover every niche taste...

Chris says...

3. I Am Bread "I'd love to know what drugs the creators of this were on. They deserve a medal just for going through with it - and still being alive after the comedown."

2. Farming Simulator "Rollercoaster Tycoon for middle-aged men whose wives dragged them from the countryside to the city."

1. Christmas Shopper Simulator 2 "The game you'd end up with if you sent your nan to the shops to buy you GTA V."

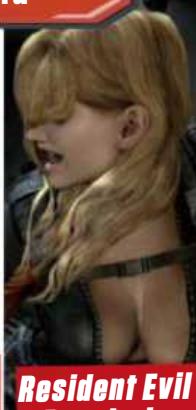

The Incredible Attention To Detail To Make Boobs Jiggle Award

Metal Gear Solid V

Dead Or Alive 5: Last Round

Resident Evil 2: Revelations

Thanks to the invention of next-gen consoles, developers have been able to play with brilliant physics engines which, yes, help boobs get bouncier! Result!

Chris says...

"Basically, they're all losers. Especially DOA, who actually released a video explaining the boob jiggling on the PS4 version of the game was better than the PS3 version. Do they have entire departments responsible for boob jiggling physics? The only winners are kids whose parents have internet porn filters..."

The Unbelievable Tekkers Award

FIFA 2016

Blokes across the world spend hours and hours trying to master *FIFA*'s skill combos and then... blam! A new game comes out. But clearly some chaps have got very good, very quickly...

Chris says...

3. Falcao "Overhead kick? No, you want the 'round the back putting your dressing gown belt on' kick."

2. Zlatan Ibrahimovic "He's doing a Michael Flatley, crushing both of his knackers in the process."

1. Random Seattle Sounders guy "Any manager worth his salt is practicing the 'hyper extend both your knees and break your left ankle, then let the ball bounce off of your face' manoeuvre. It's really basic, lads."

The Worst Way To Go In A Game Award

Mortal Kombat X

Wolfenstein: The Old Blood

Until Dawn

There are simply too many fatalities to choose from, so we'll leave it to Chris to pick his favourite from the copious amounts of death.

Chris says...

3. Mortal Kombat X "I wouldn't be surprised if they compiled a list of deaths after talking with inmates at a maximum security prison."

2. Wolfenstein: The Old Blood "Seriously brutal clubbing and stabbing with a lead pipe. Makes you never want to p**s off your plumber."

1. Until Dawn "The back story makes this worse. They are screaming in physical and emotional agony. It's pretty hard to watch."

The Best Dressed Award

Fallout 4

Again, a no contest. Because the guy whose head permanently went missing for 40+ hours on *Fallout 4* has clearly won this category hands down.

Chris says...

"And taking to the catwalk now, we have a classic post-apocalyptic piece which we are sure is going to take the streets by storm this winter. This look is topped off perfectly by the utter lack of a f**king head. Available for £260 from New Look."

UPFRONT

W.T.F!

The maddest thing we've seen this week!

"Who are ya?"

When Brazilian football fans give it the big one, it's the littlest of the lot who stands out!

Entire stands full of football fans giving it all that, goading the opposition and pretending to be the big "I am" isn't anything new, especially when you consider it happens across the globe at hundreds of grounds every week.

However, less common – but infinitely more amusing – are those rare occasions when you spot a little kid giving the Billy big bollocks routine.

Last week it was the turn of this Brazilian tyke who was supporting Corinthians at home – and it's no surprise he was looking so smug, as his side cruised to a comfortable 6-1 victory over bitter local rivals Sao Paulo.

We'd be willing to bet he'd also give the Wealdstone Raider a decent run for his money in a scuffle.

Might nip to the concourse for a latte...

MERC'S MOLTEN COUPÉ TRACK TESTED

Fast & Furious

Mercedes' insane AMG C63 S coupé is the sharpest tool in the box – and one of the fastest to boot

ZOO was lucky enough to thrash the latest Mercedes-AMG C63 Saloon and Estate models around Portugal's Portimão circuit earlier this year and we can report they were as batsh*^{*} bonkers as you'd expect from a pair of 500+bhp German giants.

But this is the AMG C63 S Coupé, and although it packs the same flame-throwing, 4.0-litre bi-turbo V8 engine that develops 507bhp, it has been

refined to offer more finesse on the race circuit. This means it can put all of that power to good use rather than simply eating tyres like a vehicle possessed.

Performance is blistering: the 0-62mph sprint is dispatched in just 3.9 seconds and it goes on to a limited top speed of 155mph, all the while spitting and howling like its trousers are aflame.

Despite the ASBO attitude, it still managed to devour the very

wet Ascari race circuit we were testing it on, kicking out its rear every now and then to remind the driver who's boss but ultimately offering loads of feedback through the wheel.

It's a real track-day weapon, but one that also looks fantastic – only the doors, roof and boot lid are shared with the standard C-Class and the AMG-fettled beast packs swollen wheel arches, monster alloys and aggressive twin pipes. Inside,

there's the typical style and sophistication expected of a modern Merc, with the addition of cutting-edge, web-enabled technology and enough room in the rear for two small people – despite the lack of rear doors.

The BMW M3 once reigned supreme over the powerful German coupés, but Mercedes' latest offering is a genuine title contender.

Lamborghini Huracán now with rear-wheel drive madness

The Raging Bull motif will soon adorn a Huracán LP580-2, an insane rear-wheel drive version of its latest V10-powered supercar. The engine gets slightly less power (571bhp as opposed to 602bhp), presumably to prevent rear tyres from combusting. If that doesn't spice up the school run, we don't know what will.

Be the first to experience Bentley's Bentayga

The jury is still out as to whether Bentley's monster 600bhp SUV is butt-ugly or not but the British marque is allowing 608 customers to form an opinion early with an exclusive First Edition. Union Jack badging, illuminated tread plates and specially made alloys come as part of the package.

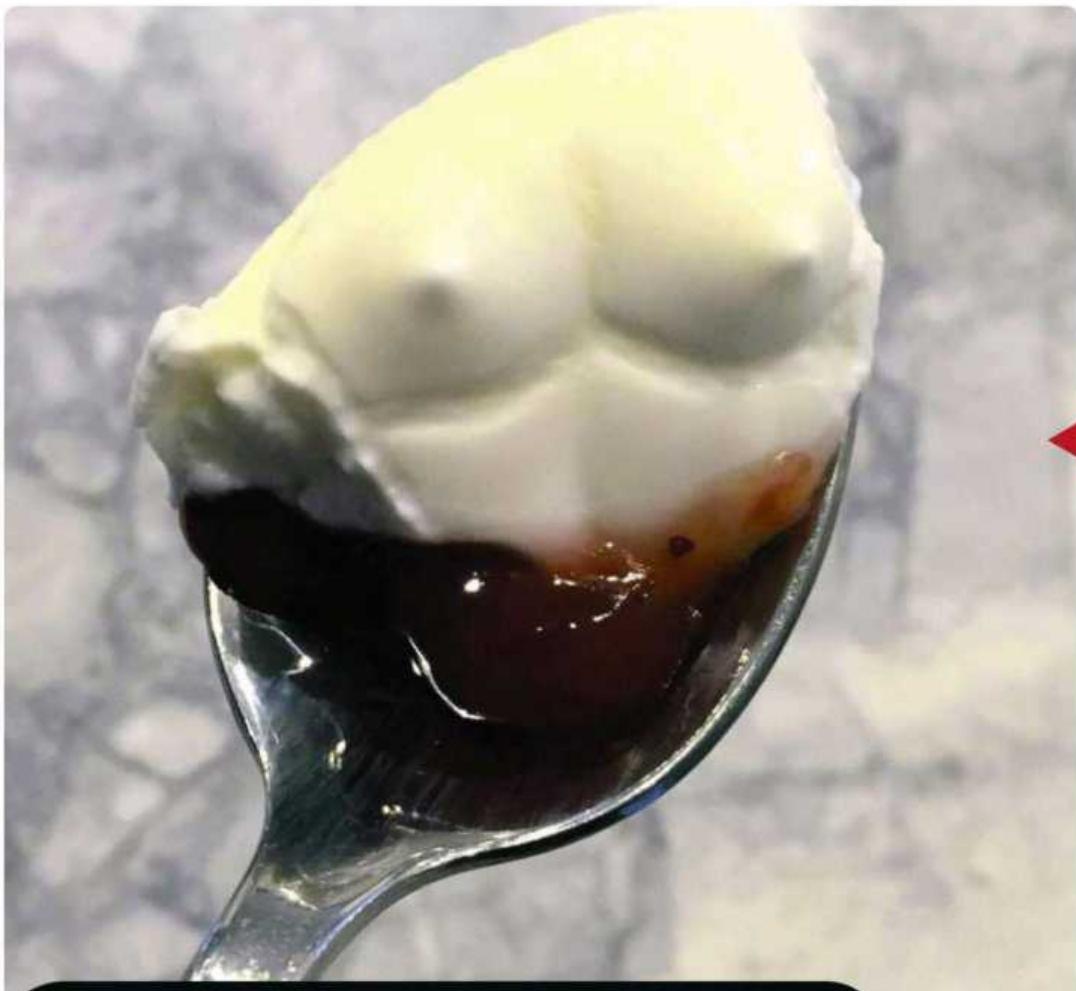

Mercedes-Benz GLS storms into LA

Merc has unveiled the face-lifted version of its brutish GLS off-roader ahead of its LA Motor Show debut in late November. A more luxurious interior and an aggressively styled exterior head up the changes, while a twin-turbocharged, 5.5-litre AMG V8 with 577bhp tops the model line-up.

BRIDGE OF SPIES

Bridge Of Spies

If you want to whet your appetite with a story of stolen secrets and undercover spies, Steven Spielberg's latest offering slaps you around the noggin with a tense true tale of nations at loggerheads – and on the brink of nuclear war.

During the uncertain years of the Cold War, American lawyer James B Donovan (Tom Hanks) is called upon to defend Soviet spy Rudolf Abel from the death penalty. He ends up negotiating a trade for captured US pilot Francis Gary Powers –

who was shot down during a reconnaissance sortie over enemy territory – and an economics graduate accused of being an American spy by the East German Stasi in Berlin.

For a film brimming with lesser-known talent, it packs as much of a punch as a star-studded blockbuster. And while it might not be Spielberg's finest hour, it showcases a truly captivating account of the savage post-World War II landscape which still remains a hot topic to this day. ★★★★☆

Victor Frankenstein

Another big-screen adaptation of the horror tale witnesses the monster-making through disturbed assistant Igor's (Daniel Radcliffe) eyes, as he aids crackpot medical student Victor Frankenstein (James McAvoy) with controversial

experiments, giving birth to creatures of nightmares.

The partnership is solid and although there are a few good "shocks", a serious dose of high voltage electricity would be required to bring this one back to life again. ★★☆☆☆

I Believe In Miracles

Charting the reign of enigmatic, straight-talking Brian Clough, this nostalgic documentary heralds the back-to-back European Cups of his Nottingham Forest.

In a time when training was followed by midday boozing

and chip butty lunches, seeing Clough's charges take aim at the footballing world via grainy footage gives rise to the miracle maker of the title.

GAME
 of the week!

Mario Tennis: Ultra Smash

Whatever you think of Mario, one thing the Italian pasta-fiend is good for – that is apart from constantly losing princesses – is heading up memorable spin-off titles. One of the best and criminally undervalued is *Mario Tennis*.

The latest edition, *Ultra Smash*, marks an enjoyable return to form, as the seventh entry in the series boasts a raft of improvements that add to your amusement.

One such tweak is the addition of the mega mushroom, a new power-up that momentarily turns you into a giant. Throw in online multiplayer modes, such as Knockout Challenge – and lots more to unlock – and it shows this is another winner.

The addictive gameplay may have at times pushed our skills (and tempers) to the very limits, but it's still well worth indulging your inner McEnroe.

★★★★★

The Hot List

Ant-Man

Scott Lang (Paul Rudd) is a skilled cat burglar, but after a chance encounter with Dr Hank Pym (Michael Douglas) he takes on the mantle of the tiny superhero Ant-Man. In true Marvel style, there are a heap-load of explosions, outstanding fight scenes and *Avengers* cameos. Add to that Rudd providing laughs aplenty, and it's feel-good, family-friendly fun. ★★★★☆

Deadpool

The third-person action-shooter based on Marvel's merc with a mouth returns, two years after its initial release, with a lick of next-gen paint. But demented humour and brilliant script aside, a lot of the game's issues still persist – namely it's a repetitive hack 'n' slash with poor battle mechanics. While it's not bad, it's not particularly good, either. ★★★☆☆

Hoff The Record

David Hasselhoff plays a fictionalised version of himself in this laugh-a-minute mockumentary revolving around the *Baywatch* legend's attempts to revive his flagging career in the UK. Hilariously, no subject is off limits and episode one begins with The Hoff failing to nail a part – as himself. Wonderfully deadpan and sure to have you desperate for a second season. ★★★★☆

Newton Faulkner

Human Love

The hairy hitmaker is back with a new offering, and he's added a whole extra level of excitement with the inclusion of a backing band. *Get Free* is a prime example of how the dreadlocked music man has reinvented himself, with its catchy lyrics and banging drumline meaning you can't help yourself from tapping along. ★★★★☆

A QUICK WORD WITH...

JUDD APATOW

HI, JUDD! HOW DID YOU BECOME INVOLVED WITH DIRECTING *TRAINWRECK*?

You know, I didn't know much about Amy Schumer, but I heard her on the radio telling stories about her relationships. She was very funny and brutally honest, so I just asked her if she wanted to try to write a screenplay.

WHY CALL IT *TRAINWRECK*?

Trainwreck was a title I had in a notebook for a long time. It just means somebody who's a mess and that's where Amy starts in the movie.

HOW DO YOU THINK THE MOVIE COMPARES WITH YOUR PREVIOUS WORK? DO YOU HAVE A FAVOURITE AMONG ALL OF THE FILMS YOU'VE MADE?

It's hard for me to say. I love all my movies for different reasons and I don't have a lot of distance in terms of comparing them to each other. *Trainwreck* is a unique take on a romantic comedy.

HOW DID LEBRON JAMES GET

INVOLVED WITH THE FILM?

Amy said she wrote his name in the script because he was the only basketball player she'd heard of. So we took him out to lunch and told him about the script and about the character. He was just like any other comic on the set, except with the NBA Championship Rings.

WHAT DOES IT TAKE TO MAKE A SUCCESSFUL COMEDY TODAY?

I always feel like you have a much better chance when the people making it are very passionate. When somebody has a passionate idea, like Amy, it works. It's like listening to a Nirvana song: it feels like someone is sharing their heart with you. You have a better chance when that's part of it.

YOU'VE BEEN ON A GREAT STREAK! DO YOU EVER GET NERVOUS THAT IT'S GOING TO END?

The only thing I get nervous about is if people are going to let me make the next one. But I do feel like I have enough hits for my "in memoriam" reel, so when I die there will be good clips. Everything else is the icing on the cake at this point.

→ *Trainwreck* is on Blu-ray, DVD and Digital HD from 7 December

In sport there have been some amazing teams: Arsenal's Invincibles, Messi's Barcelona and the 2005 winning Ashes cricket team. But, quite frankly, none of them compete with the naughty duo of Scouse stunner Hannah Elizabeth and brunette babe Scarlet Bouvier.

These breast of friends have teamed up to provide you, the ZOO readers, with a booby extravaganza guaranteed to give even the great team performances a run for their money. They also stopped by to tell us about double dating, stripping off for shoots and visiting nudist beaches. So, chaps, enjoy this dazzling duo...

HEY, GIRLS. HOW AMAZING IS IT TO BE TEAMING UP FOR THIS SHOOT?

Hannah Elizabeth I'm super excited! Last time I stripped for ZOO I was in a relationship, but now I'm single once again. I'm that little bit more excited and of course I'm shooting next to one of the hottest girls ever... Scarlet Bouvier!

Scarlet Bouvier I'm loving it. It's great to be teaming up with my bestie, Hannah Elizabeth!

**"I 100 per cent want to

**QUITE USED TO STROLLING
AROUND IN YOUR
UNDERWEAR BY NOW?**

SB I actually spend most of my time naked. It's definitely better being naked, isn't it Hannah?

HE Yeah, of course! It's normal for me. During all of our shoots, we just all walk around the place naked and nobody even bats an eyelid. The world would actually be a better place if we were always naked...

**WOULD IT BE BETTER IF
EVERYONE WENT TO
WORK NAKED?**

SB Yes! It would be a much better place. Just think of how much less stress you'd have in the morning when you've got to get dressed. You'd walk

straight out of the house naked and just say a casual "morning" to the neighbours...

HE I suppose we'd just all have to workout a little bit more, though.

**YOU COULD ALWAYS GET
A JOB SELLING ICE CREAMS
ON A NUDIST BEACH...**

HE I've never been to a nudist beach, but I 100 per cent want to go to one. I actually feel like my body is a lot nicer when I'm naked: it just feels more comfortable. I'd definitely give it a go, and wouldn't feel ashamed about it!

SB I've actually been to one! I went with my friends just after we'd turned 18. It was loads of fun apart from lots ➤

of people were asking for pictures...

THEY SHOULD JUST BUY ZOO! HAVE YOU GOT ANY PARTICULAR FAVOURITE CELEB RUDE MOMENTS?

SB Mine is definitely Sharon Stone in *Basic Instinct*. The leg crossing scene is very naughty.
HE My favourite moment ever would be Pamela Anderson's naked *Playboy* shoots. I've got all of them at home, so when I'm having a quiet day, I'll have a good look through because she's still amazing.

CAN YOU BOTH BE AS NAUGHTY AS PAMELA?

HE I did have sex on the television, didn't I? It's something I said I'd never do, so that's definitely the naughtiest thing I've done. Since I did *that* bondage shoot for ZOO, obviously!

SB I'm always managing to flash someone when I'm out. It just happens, but maybe because I love to wear really low-cut dresses all of the time.

OOPS. ANY MORE EMBARRASSING NAKED MOMENTS?

SB I'm always walking around naked at home and people will just catch me through the window. I literally drop to the floor and wait until they're not watching anymore. I should really shut my blinds.

HE Yeah, babe! I've had loads of nip slips on nights out and flashed my knickers trying to get out of a taxi, but that's not as embarrassing as spilling my drink over somebody else!

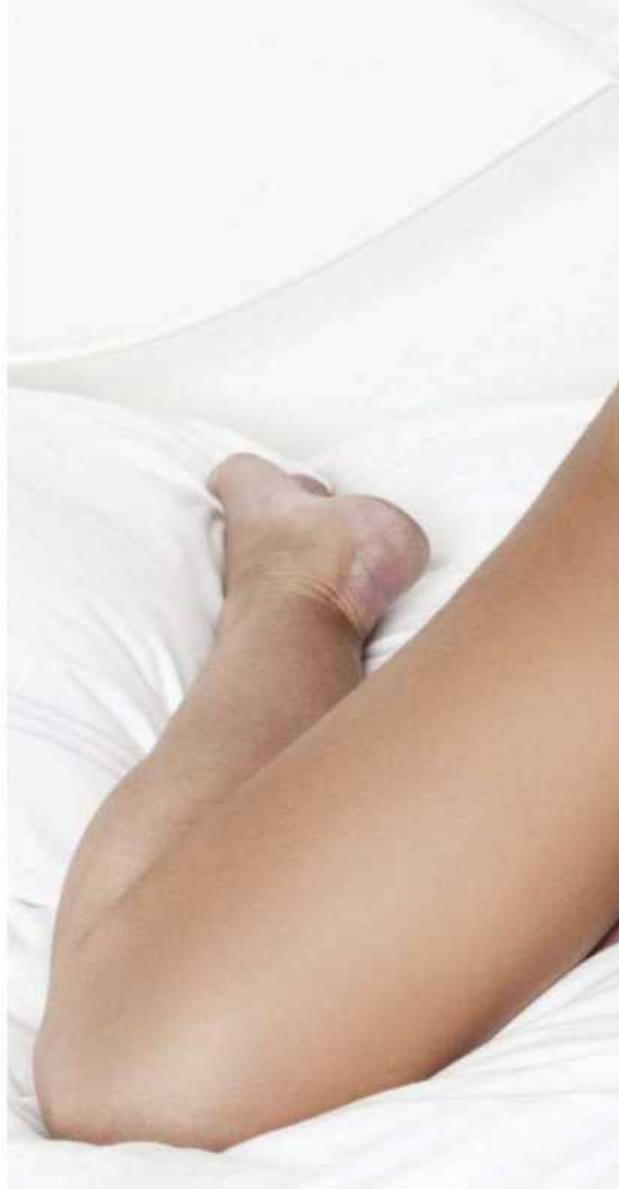

NOW THAT'D BE A WASTE. SINCE YOU'RE BOTH SINGLE, WILL YOU BE DOUBLE DATING?

SB We'd be insane on a double date! When we're together on a night out, we're absolutely crazy. It must be a brunette and a blonde thing.

HE We'll just have to go to the pub, then. I think I'd actually prefer that. We'd just drink pints in front of a fire in a nice cosy pub!

WILL YOU BE WORKING TOGETHER AGAIN IN THE NEW YEAR, THEN?

SB I'll still be doing my modelling and Snapchats for the Bouv Army, but I'd love ➤

THE AMAZING RACHEL WILLIAMS

The Scouse sensation is back – and she's looking perfect in purple...

There are not many people as popular as Ronnie Pickering or the Grumpy Cat, but Scouse babe Rachel Williams is one girl whose name is already in the internet hall of fame thanks to her remarkable bouncing boobs video (41 seconds of slow-mo boob-jiggling perfection) that has reached more than 10 million of you worldwide.

But despite her new fame, she's still got time for a sexy ZOO shoot and to tell us about how she prepares for a night out, her internet popularity and (best of all) which underwear she likes best. So before she darts off to check her YouTube views, here's Rachel Williams...

HI, RACHEL. DID YOU KNOW YOUR BOUNCING BOOBS VIDEO HAS NOW HAD MORE THAN 10M VIEWS ON YOUTUBE?

I had no idea it would be so popular! It was just a funny thing we did on a shoot a couple of years ago. I had a mate in America, and she said that everyone over there had seen it. How weird is it that loads of people in America know who I am?

THEY'VE CLEARLY GOT IMPECCABLE TASTE...

I know! Some people have made their own versions. There are Vines, GIFs, a 10-minute one and someone has even made one that goes on for 10 hours! ➤

**BONKERS! WHAT'S THE
BEST COMMENT YOU'VE
RECEIVED SO FAR?**

Oh, you wouldn't believe it. All these guys keep saying how much they love me and they want to see loads more of me. But my favourite is the one that suggested the video could be used to stop wars. That made me laugh because it's nice to think I could bring peace to the world!

**IS YOUTUBE YOUR ONLY
SOURCE OF WEB FANS?**

I still find it weird to think people might recognise me. Mind you, I've picked up a fair few followers on Twitter recently. One morning when I was hungover, I tweeted something about needing a kebab. This guy tweeted back, "I'll be your kebab." I still have no idea what he meant by that...

**HUNGOVER OFTEN
THEN, RACHEL?**

Yeah, I'd say so. Every time I go out it's a mad one – I can't think of a sane night out I've had in a while! Mind you, I'm not too good with hangovers. I just stay in bed and eat junk food. If I've got a big night out on a Saturday, I have to keep the Sunday free for my hangover!

**SO, HOW ARE YOU ON
A NIGHT OUT THEN?**

It always starts really civilised in a nice bar, but doesn't end up that way. We end up causing havoc! I just love cocktails, which is dangerous because you haven't got a clue how much you're drinking!

**WE'VE ALWAYS
WONDERED WHY
LIVERPOOL LASSES LOVE
HAIR ROLLERS SO MUCH.
CAN YOU HELP?**

It's normal back in Liverpool for girls to walk around all day with their rollers in – it's our dedication to nice hair. That's why we're the best-looking girls in the country ➤

**LIVERPOOL
LOVELY!**

**BUSTY
BEAUTY!**

- we take pride in our appearance!

THAT'S WHY SCOUSE GIRLS TAKE THEIR NIGHTS OUT SO SERIOUSLY?

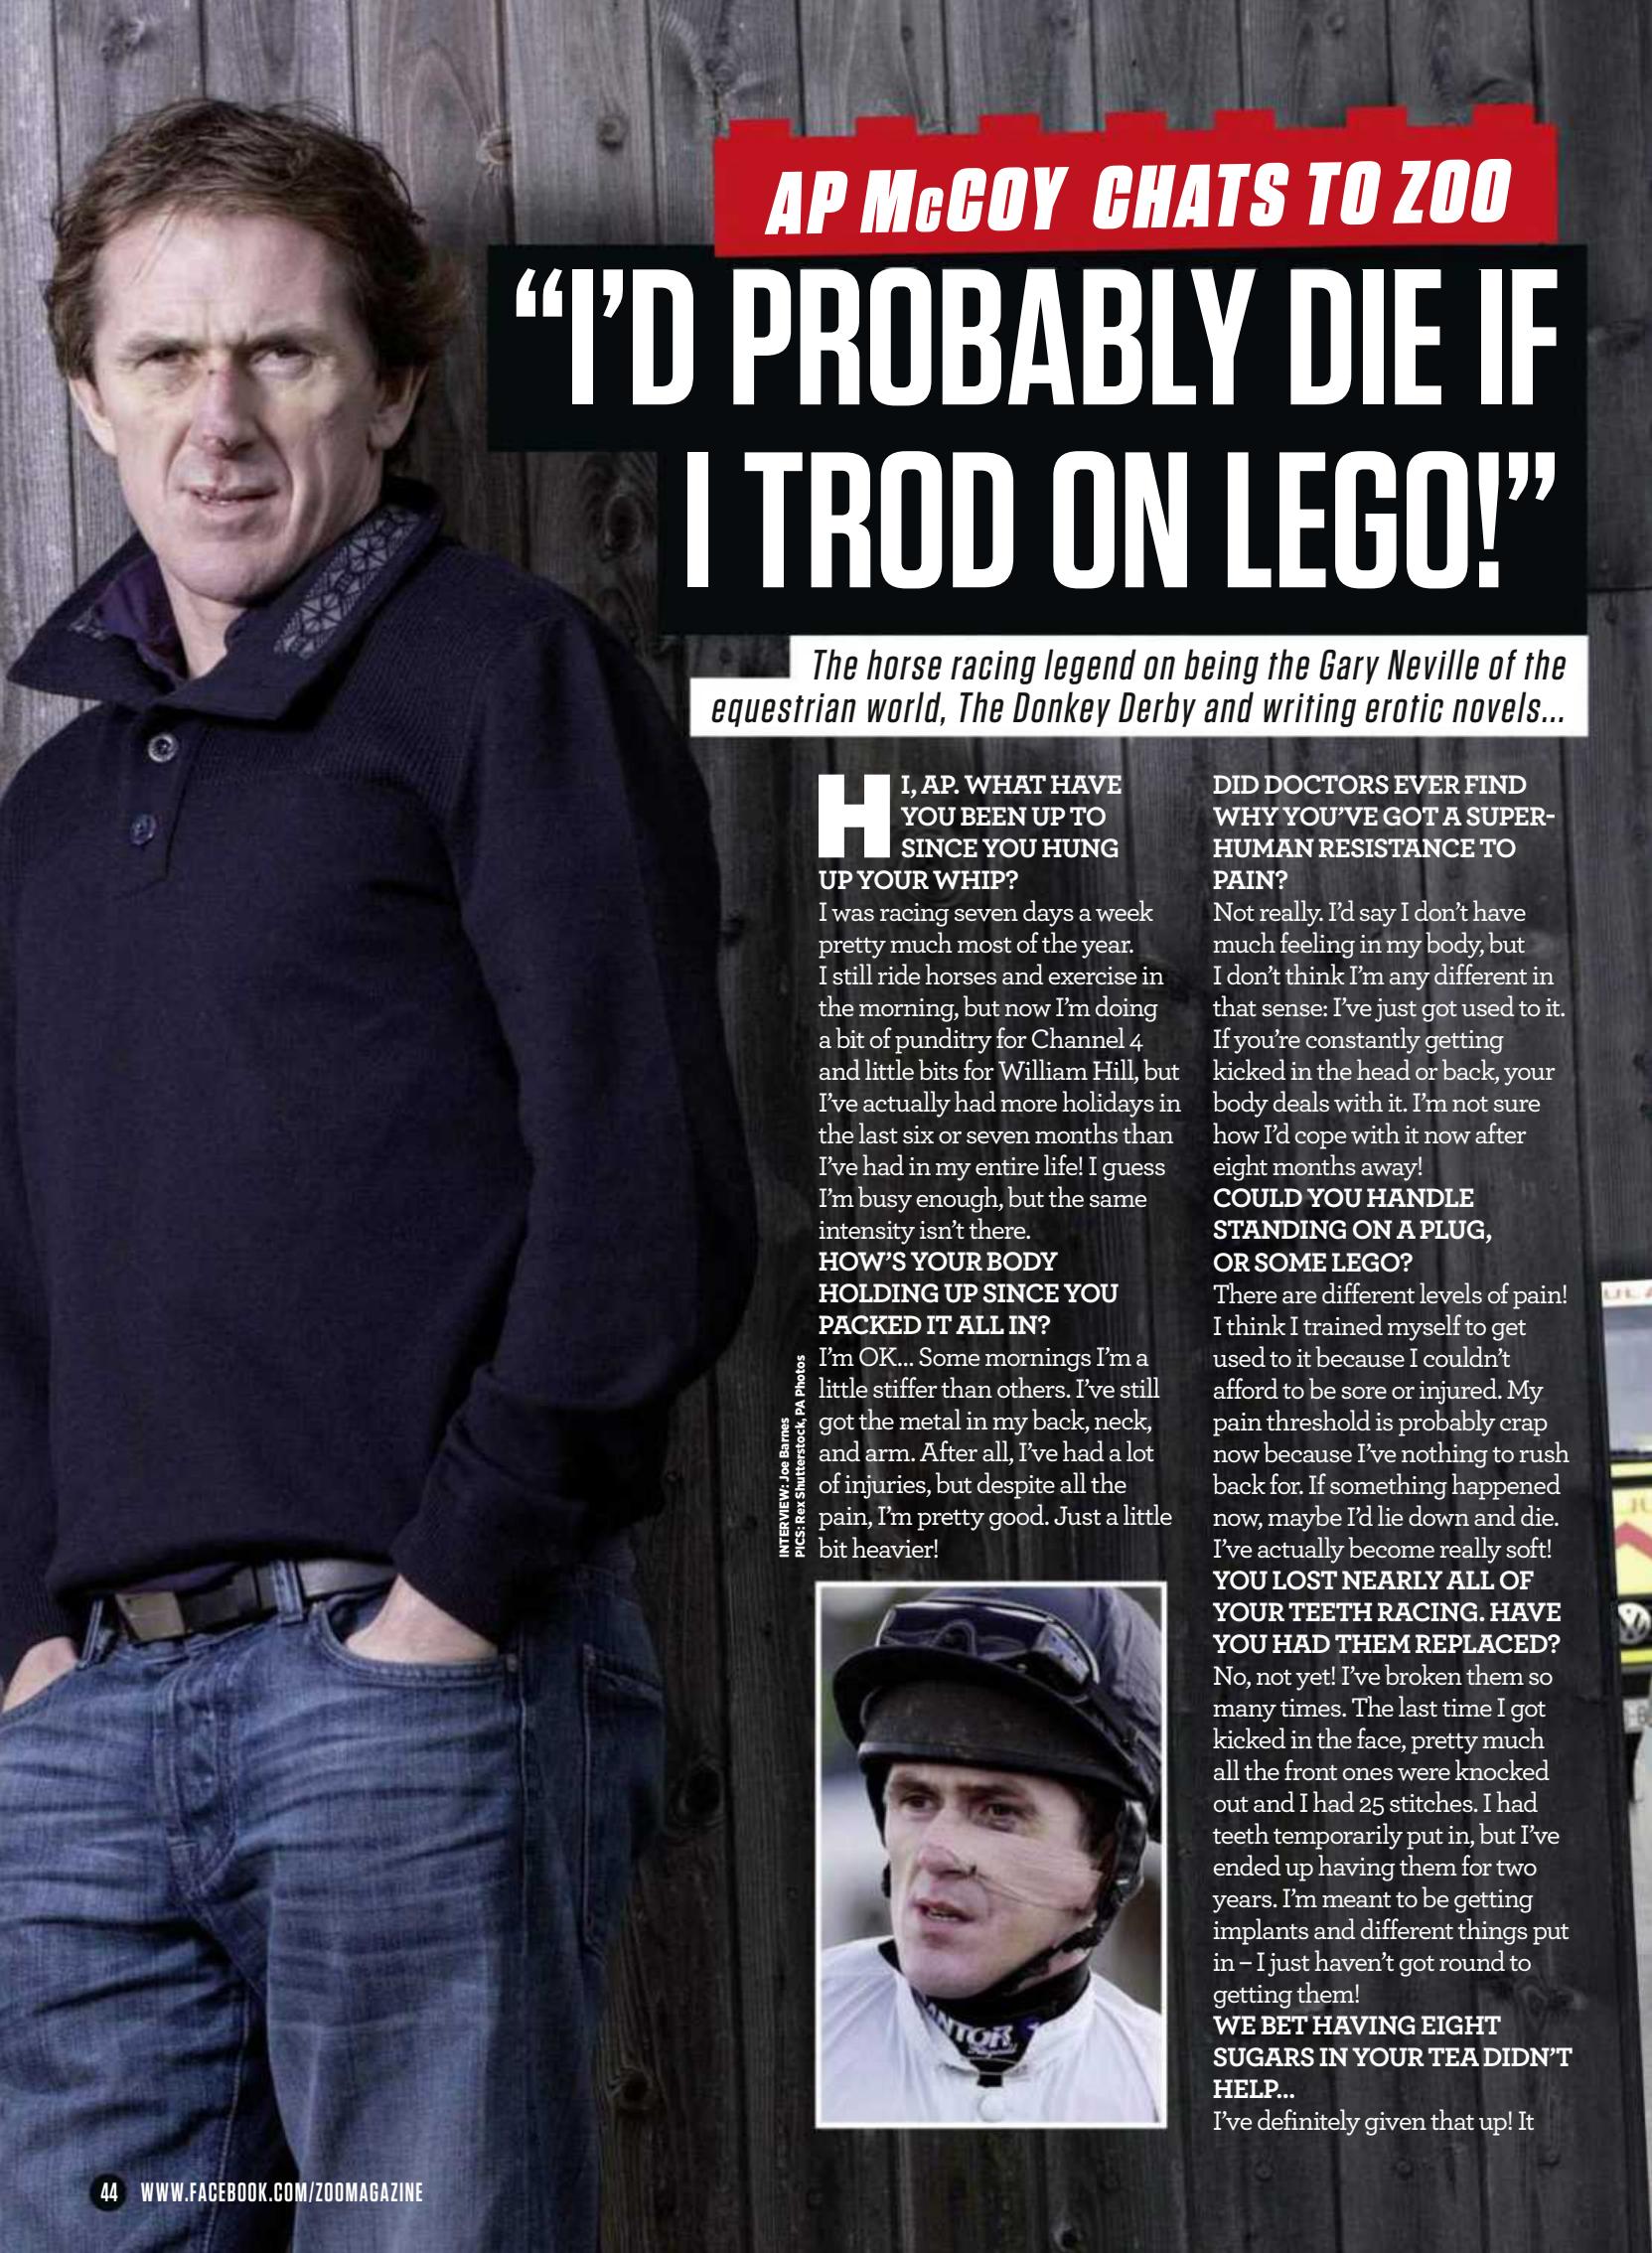

Every night out is a big night out. New hair, new dress, new nails. You never see us dressed down or in the same outfit more than once.

WE'LL HAVE TO PAY A VISIT. WHAT DO YOU THINK OF YOUR OUTFITS FOR THIS SHOOT?

I love the purple underwear: it's all pretty busty. I think it's important to show off what you have - anything to highlight the boobs.

WILL YOU BE ADDING THIS SHOOT TO YOUR COLLECTION?

Of course! I have a copy of every shoot I've done! They are all kept in immaculate condition next to my best china. They are very precious - I'm definitely not going to eat off one, though!

AP McCOY CHATS TO ZOO

“I'D PROBABLY DIE IF I TROD ON LEGO!”

The horse racing legend on being the Gary Neville of the equestrian world, The Donkey Derby and writing erotic novels...

HI, AP. WHAT HAVE YOU BEEN UP TO SINCE YOU HUNG UP YOUR WHIP?

I was racing seven days a week pretty much most of the year. I still ride horses and exercise in the morning, but now I'm doing a bit of punditry for Channel 4 and little bits for William Hill, but I've actually had more holidays in the last six or seven months than I've had in my entire life! I guess I'm busy enough, but the same intensity isn't there.

HOW'S YOUR BODY HOLDING UP SINCE YOU PACKED IT ALL IN?

I'm OK... Some mornings I'm a little stiffer than others. I've still got the metal in my back, neck, and arm. After all, I've had a lot of injuries, but despite all the pain, I'm pretty good. Just a little bit heavier!

INTERVIEW: Joe Barnes
PICS: Rex Features, PA Photos

DID DOCTORS EVER FIND WHY YOU'VE GOT A SUPER-HUMAN RESISTANCE TO PAIN?

Not really. I'd say I don't have much feeling in my body, but I don't think I'm any different in that sense: I've just got used to it. If you're constantly getting kicked in the head or back, your body deals with it. I'm not sure how I'd cope with it now after eight months away!

COULD YOU HANDLE STANDING ON A PLUG, OR SOME LEGO?

There are different levels of pain! I think I trained myself to get used to it because I couldn't afford to be sore or injured. My pain threshold is probably crap now because I've nothing to rush back for. If something happened now, maybe I'd lie down and die. I've actually become really soft!

YOU LOST NEARLY ALL OF YOUR TEETH RACING. HAVE YOU HAD THEM REPLACED?

No, not yet! I've broken them so many times. The last time I got kicked in the face, pretty much all the front ones were knocked out and I had 25 stitches. I had teeth temporarily put in, but I've ended up having them for two years. I'm meant to be getting implants and different things put in – I just haven't got round to getting them!

WE BET HAVING EIGHT SUGARS IN YOUR TEA DIDN'T HELP...

I've definitely given that up! It

was a mental thing to be honest. I thought it was giving me energy but I can easily have tea with no sugar now!

DO YOU MISS THE THRILL OF THE CHASE WHEN YOU WAKE UP?

Some days I miss it, some days are better than others.

Sometimes you miss the thrill and unpredictability of what's going to happen. When I was a jockey, every day was different but in a similar kind of way.

BUT YOU'VE FOUND A NEW FOUR-LEGGED SPORT IN THE DONKEY DERBY...

Oh Jesus, I know! Luckily The Donkey Derby was a one time only thing! I got beaten by Barry McGuigan, so I won't be making a future career out of it.

DOES HE LIKE TO RUB SALT IN THE WOUNDS?

Yeah, I've seen him quite a few times this year. Barry is someone I've always looked up to, but there won't be any rematches anytime soon just in case he beats me again!

Donkey Derby!

YOU NEVER ATE BREAKFAST DURING YOUR CAREER. HAVE YOU DISCOVERED THE DELIGHTS YET?

I eat it every morning now! I love a full breakfast. I was in Shannon Airport a couple of weekends ago, and had a full Irish. I ate the lot. It's just the best: I'm definitely into breakfast now. I find myself just eating when I'm not really hungry, so I've had to try to control that a little bit.

SINCE YOU'VE TAKEN UP PUNDITRY, DOES THAT MAKE YOU THE GARY NEVILLE OF THE HORSE

RACING WORLD?

I'm not sure about that! Gary is fantastic at his job and really engaging. Seventy-five per cent of young boys in the country want to watch or play football, so they can be engrossed with what he has to say. That's not the case with horses.

HAVE YOU HAD A FLUTTER SINCE RETIRING?

I actually like a bet, but I haven't had one yet! The last time I was at the races I wanted to go up for the craic, but I was working for Channel 4 so I didn't. I'd just love to see a bookie's face! He'd think I'd be really in the know, when in

reality I'd be winding him up!

HAVE YOU GOT ANY TIPS?

I don't know about the jockeys to watch. I don't look at them anymore because I don't want anyone to break my record! It's the horses I'm looking forward to, horses I've ridden. They've always got a good shout.

FINALLY, WE'VE HEARD YOU'VE TRIED YOUR HAND AT EROTIC NOVELS...

I wrote a novel a few years ago called *Taking The Fall* and I've just finished the sequel. The first was about someone dying and taking the fall, this is the revenge. There are a few horses, but there's also a bit of sex. It's a bit *Fifty Shades Of Grey*, not your average book about horses. And it's more interesting than my autobiographies!

**SPENDING A WONDERFUL
WINTER WITH...**

CHARLOTTE SPRINGER

Dreading those cold winter nights? Just imagine being warmed up by Britain's answer to Kim Kardashian...

You can be forgiven for hating winter: the weather is downright miserable and everyone seems to retreat into their shells.

Luckily, there's one beautiful brunette who can put the "spring" – or should that be "Springer" – back in your step.

It's a warm welcome back to ZOO for Essex cutie Charlotte Springer – and the newly single sexpot is the perfect remedy for those winter blues. So let tales of how to impress her with food, what happens on a girls' night in, and where to whisk her away for some winter sun heat you up before the big freeze sets in... ➤

HEY, CHARLOTTE. WITH THE WINTER DRAWING IN, HOW ARE YOU SPENDING THE DARKER NIGHTS?

Hiding at home in the warm with a blanket and Netflix. That, or just spending all my time on Twitter – my whole timeline is boobs and bums. I basically just do anything to keep me warm.

DO YOU WANT COMPANY? Of course! Well, I am single now, and really enjoying myself – so you'll have to try extra hard to impress me. I've been going out clubbing a lot more and partying recently, so I might not be home when you come knocking... ➤

"My Twitter timeline is full of boobs and bums"

**"Thigh-high
boots are
classy and
sexy"**

**MAYBE WE COULD COOK
YOU DINNER...**

As long as it's not too messy! Maybe we could have a prawn cocktail to start, you can't go wrong with spaghetti bolognese for main, and then to finish, chocolate cheesecake. You've made me really hungry now!

OOPS. WHAT ELSE?

Definitely a good film, a bottle of wine and... some Haribo Tangfastics! I love the sour cherries. That's how we seem to spend the whole of my girls' nights in, these days.

**AND WHAT HAPPENS
WHEN YOU'VE GOT THE
GIRLS AROUND?**

We just get drunk and talk about men and sex, I guess. That's the normal night in for me and my friends. We've been known to slag off a few blokes that are in our bad books as well.

**DOES IT EVER ESCALATE
INTO A FULL-BLOWN
PARTY?**

Hopefully not! It's not my favourite thing to do because I seem to always pass out at house parties. I wake up thinking, "Where is everyone?" It doesn't happen as much now, but I woke up in the bath when we were in Ibiza. I had food all over my head – we must've had a giant food fight, but I can't remember!

**HOW DO WE GET AN
INVITE?**

It might sound really cheesy, but I just like blokes to be nice and genuine, if I'm being honest. Just keep it real – and then you might get an invite to take me out.

WHERE WOULD WE GO?

I quite like going to London when it's wintry. I love seeing all the Christmas lights and drinking hot chocolate while walking around the shops. Winter fashion is very sexy.

WE AGREE...

Yeah, those nice thigh-high boots everyone's wearing are great. They're classy enough and even though you're covered up they make you feel very sexy. →

DO YOU LIKE TO SEE ESSEX IN THE SNOW?

No! It makes it really hard to get to work! I loved it when I was younger, but now I'm older when I look out of the window and see snow I'm like, "argh!". I'd prefer to jet off somewhere warmer!

SO WHERE ARE WE OFF TO?

A luxury five-star hotel, maybe to a beach in Thailand. The cold weather is definitely making me feel depressed. I need you to whisk me away somewhere exotic for a bit of winter sun or where I won't get called Kim Kardashian.

YOU STILL GET CALLED THAT?

Yep, I still get people calling me Kim. Everywhere I go someone tells me I look like someone else – I must have one of those faces. I get compared to a load of celebrities. It doesn't really bother me as long as they're attractive.

WILL WE BE SEEING YOU ON A LOOKALIKE TV SHOW?

Ha, hopefully not! I'd probably do *Keeping Up With Charlotte* instead. We'd need to get a Kardashian and Vicky Pattison on it and then it'd be really fun.

THE BEST, BIGGEST AND FUNNIEST STORIES FROM THE WORLD OF SPORT!

THE ZOO PREM FAN SURVEY 2015!

PICS: Offside Action Images, Rex Shutterstock, Reuters

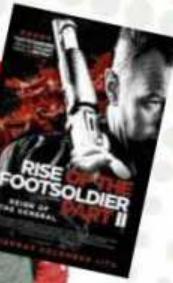

We took to the polls to gauge the nation's opinion on top flight football. And you came out in your thousands to berate Chelsea, and praise Sanchez and Aguero as the new heroes of the league...

MOST HATED PREMIER LEAGUE PLAYER

1. Diego Costa
2. John Terry
3. Raheem Sterling

He never misses an opportunity to square up to his critics on the pitch, and it seems he winds up people in the stands just as much. That's why Costa is the undisputed pantomime villain of the league, with half of the vote.

MOST OVERRATED PREMIER LEAGUE PLAYER

1. Wayne Rooney
2. Raheem Sterling
3. Eden Hazard

With just two goals in his first 11 games, United's once-star striker has slowly become a jack-of-all-trades and master of none. Still, there's always *that* goal against Man City in 2011...

PLAYER YOU'D MOST LIKE TO GO FOR A PINT WITH

1. Alexis Sanchez
2. Peter Crouch
3. Kurt Zouma

Arsenal man Alexis Sanchez spends his holidays training on the beach and has a patchy grasp of English but when it comes to the beautiful game, he clearly speaks your language.

TEAM YOU WANT TO SEE RELEGATED

1. Chelsea
2. Sunderland
3. Manchester United

Having dominated the league last season – “boring” their way to the title – the knives are out for the Blues. And after their stumbling start to their defence, it's not just a protest ballot...

WORST PREMIER LEAGUE AWAY DAY

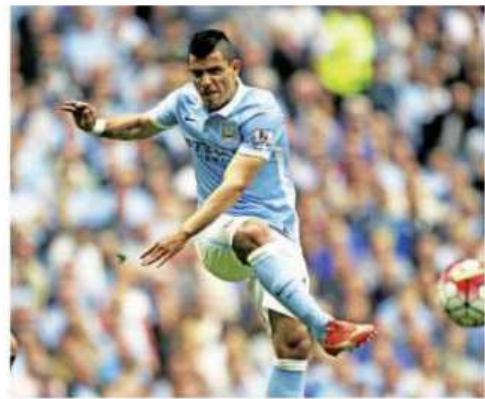

1. Stoke
2. Chelsea
3. Sunderland

With vociferous fans and that seemingly omnipresent swirling wind, the Britannia Stadium is the one ground literally no one rings when the fixture list comes out.

WORST FANS

1. Manchester United
2. Chelsea
3. Sunderland

The glory days might be fading, but the residue of resentment still lurks after United won a close shoot-out with Chelsea for the title of worst fans, taking it with 28 per cent of the vote to Chelsea's 24 per cent.

OPPOSITION PLAYER YOU'D WANT ON YOUR SIDE

1. Sergio Aguero
2. Alexis Sanchez
3. Jamie Vardy

This is a no brainer. Aguero scores goals, makes goals out of nothing and often uses those goals to dig his team out of a hole. Who wouldn't want him in their colours?

BEST PREMIER LEAGUE AWAY DAY

1. Crystal Palace
2. Arsenal
3. Liverpool

The singing and dancing at Selhurst Park is unmatched – and that's just the cheerleaders! Add the banners, flares and noise from the Palace ultras, and you've got one heck of an atmosphere.

BEST FANS

1. Crystal Palace
2. Liverpool
3. Arsenal

Palace boss Alan Pardew couldn't have called it better when he said, "Our Holmesdale Fanatics have made a statement. Every Premier League club wishes they had fans like them." So it seems, judging by your votes.

EVERYBODY'S SECOND FAVOURITE TEAM

1. Southampton
2. Everton
3. Liverpool

Their rise up the leagues, using home-grown talent and a few clever finds, plus an attractive brand of football was enough for 37 per cent to declare a soft spot for the Saints.

PREMIER LEAGUE GAFFER WHO SHOULD BE NEXT ENGLAND BOSS

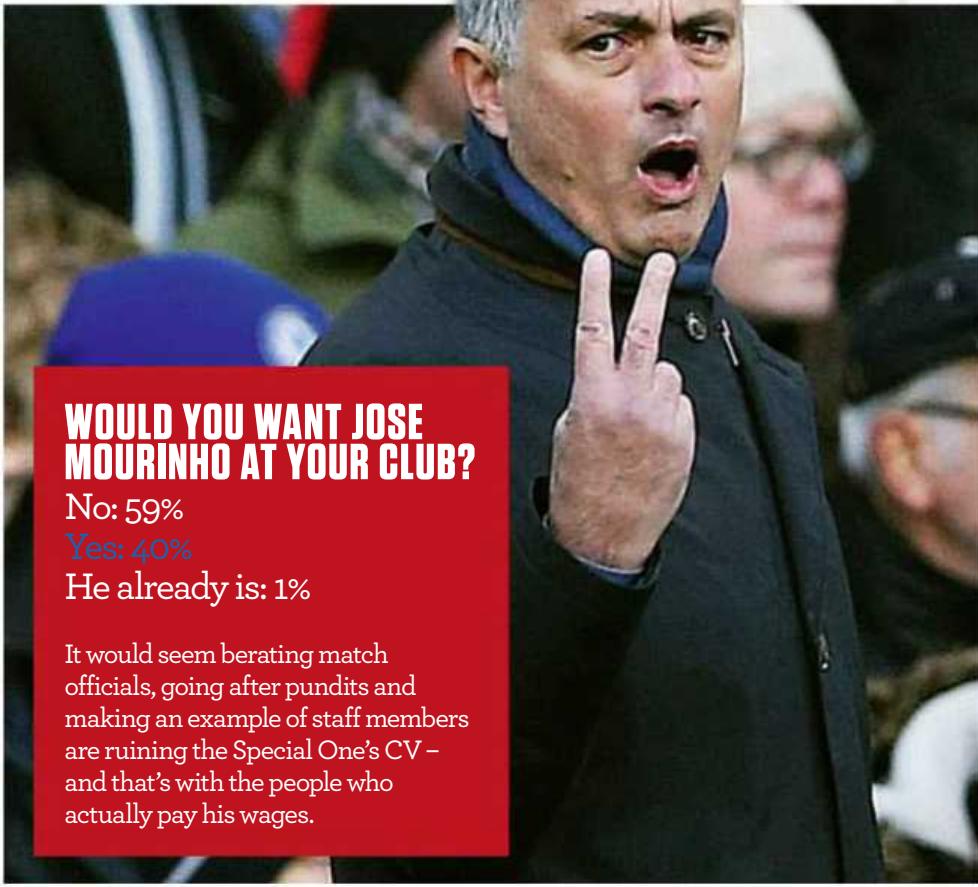

1. Alan Pardew
2. Mark Hughes
3. Jurgen Klopp

It would seem berating match officials, going after pundits and making an example of staff members are ruining the Special One's CV – and that's with the people who actually pay his wages.

HARDEST FAN 1. CARLTON LEACH...

West Ham hooligan turned underworld enforcer Carlton Leach is back, and he's more brutal than ever in the sequel to the 2007 cult classic *Rise Of The Footsoldier*.

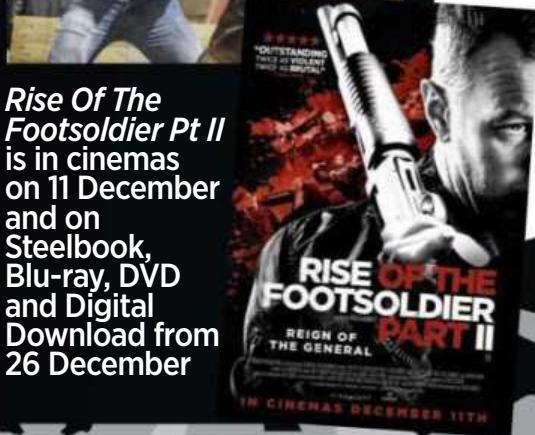

Picking up where the first film left off, *Rise Of The Footsoldier Part II* tells the story of what happened after the infamous Rettendon Triple Murders, which brought an end to the Essex Boys. Ricci Harnett reprises his role as the fourth member of the infamous gang – the one who wasn't in a bullet-riddled Range Rover that night.

Leach might have escaped the hail of gunfire, but he's still knee deep in the aggro and trying to get his life back on track the only way he knows how: smashing heads, torturing people and collecting debts.

Cue another gangland thrill ride as the old soldier battles his demons and a new breed of crooks, while trying to keep his family together, his friends safe and avoid going the way of his old pal, Tony Tucker...

Rise Of The Footsoldier Pt II is in cinemas on 11 December and on Steelbook, Blu-ray, DVD and Digital Download from 26 December

JOE

ZOO VS JOE & ENZO CALZAGHE!

With his legendary career now documented on film, Welsh boxing legend Joe Calzaghe CBE and the man who made him – literally – take ZOO on a trip down memory lane...

HI, JOE AND ENZO.
DO YOU THINK
YOU GET THE
RESPECT YOU DESERVE
FOR EVERYTHING YOU'VE
ACCOMPLISHED?

JOE It took a long time to come. I won the WBO super-middleweight title in 1997 but didn't get my first unification fight until 2006 against Jeff Lacy. People started to realise I was the real deal after that fight. Then, from beating

Mikkel Kessler and closing my career in America, the accolades started to come. **ENZO** People questioned me as far back as the amateurs. They laughed at Joe's style saying all he was doing was slapping and they were always trying to get him to leave me. When he'd say he already had the best trainer in the world, it was all the respect I needed. **WHAT'S THE TOP MOMENT IN THE CALZAGHE STORY?**

J Winning the world title against Chris Eubank, because it was my dream ever since I was a kid. I was fighting the great Eubank and when I dropped him in the first round I thought, "this is easy". But he got up and gave me the toughest fight of my career. **E** My happiest moment has to be the Lacy fight because everybody wrote Joe off and even he started to doubt himself after picking up a

hand injury. I was the only one who believed in him. I knew he'd beat Lacy with one hand as his style was made for him. **IS THERE ANYONE YOU**

"F**k Froch. I would have done a job on him!"

BEATING KESSLER!

WISH YOU COULD HAVE FACED?

J Carl Froch.

E F**k Froch, he was f**k all! J I just wish our paths had run a bit closer because I know I'd have done an absolute job on him. The reality is Frank Warren offered him the fight and he didn't take it, but he's since gone on to talk a lot of

an undefeated champion like Mikkel Kessler, that was certainly the hardest night.

ENZO, WHO WERE YOU SECRETLY WORRIED ABOUT JOE SHARING A RING WITH?

E Bernard Hopkins, because of his style. He's very clever and good at what he does and I knew he was going to spoil the fight. After Joe beat him he went on to become a world champion at 50, so that tells you how good he was.

JOE, ARE THERE ANY BRITISH FIGHTERS WHO CAN FOLLOW IN YOUR FOOTSTEPS?

J James DeGale is a good fighter and Callum Smith looks very sharp, but personally I like watching fighters such as Vasyl Lomachenko and Guillermo Rigondeaux – both skilful southpaws and quick on their feet.

sh*t. I would've also loved to have faced Steve Collins as he was the champion when I got my title shot, but he retired and I fought for a vacant strap.

WHO GOT UNDER YOUR SKIN THE MOST?

J Omar Sheika came over giving it the big "I am" with a massive entourage. At the head-to-head after the weigh-in he had all these idiots in his entourage saying I looked scared. I had him pis*ing blood from his eyes and stopped him in the fifth round.

WHO WAS YOUR TOUGHEST OPPONENT?

J Eubank was my toughest fight, but in terms of the pressure of fighting in front of 50,000 people in the Millennium Stadium against

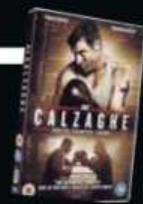

FACING B-HOP!

WHAT ABOUT TRAINERS, ENZO?

E I'd have to say Joe Gallagher. Technically he's very good and has developed a system to win. He's the best trainer – after me, of course.
